As guys, don't we wonder what a girl thinks about when she's licking another girl's pussy? Maybe it's about how it feels on her tongue. Maybe it's about how flicking the clit is a big turn on. Maybe it's how she tastes after she's been aroused. But no matter what we wonder, for us men it's all about what we see, and we really like what we see!

Young enough to be my daughter, Laura had a tendency to romanticize the 80s, especially its thriving skate scene which was a big part of my life. My stories made this tendency worse, though that was never my intention. I just liked to revisit the good old days. Hell, who doesn't?

But one tale too many had

Still, Laura wouldn't take no for an answer. My warnings went in one ear and out the other. My twenty-seven-year-old girlfriend was nothing if not headstrong. I hemmed and hawed, agreeing to take her only after she offered to walk the dog for a whole week.

"But you have to skate," she told me. "I want to watch you."

I looked at her like she had lost her mind. Rip? Not anymore, not at forty-three. I could roll around, yeah, but

Hammered in the Hood

Her moist lips wrapped around my pole, she pumped her head to and fro. Laura gave great head, some of the best I had ever had. Sloppy. Slutty.

come back to bite me on the ass. Laura wanted a guided tour of my old skate spots, wanted to see them with her own two eyes. The neighborhood had gone to shit since I had lived there some twenty years prior. Now it looked like some kind of postapocalyptic wasteland. Boarded up houses, gutted strip malls, parking lots heaped with discarded furniture and rusty appliances.

And a shitload of crime.

It was no place to be, no place at all.

tricks were out of the question. Last thing I needed was a broken arm, I explained to her.

Laura didn't want to hear it. "Just do some easy stuff. Besides, you're in good shape for your age."

This conversation took place in my cozy midtown apartment on a Thursday night. Saturday afternoon found us making the twenty-minute journey to South Jackson.

Tired from a long week at my shitty job, I had serious doubts about my ability to even stand on my old board without busting my ass. Not wanting to sound like a whiny cunt, I kept these doubts to myself.

Laura rode shotgun. She wore sunglasses and a contented smile. A canvas tote bag lay on the floor between her sneakered feet. The tote bag contained sandwiches and fruit but no drinks. Bless her heart. South Jackson was no place for a fucking picnic, not unless you had an Uzi stashed in your picnic basket. I didn't have the heart to tell her, perhaps because I knew it wouldn't do any good.

I veered off I-55, taking the McDowell Road exit into the dis-

eased heart of my old stomping grounds. I hadn't been back since my cousin's funeral. Eight, nine, maybe ten years ago. It was hard to find a convenience store that wasn't boarded up. The one I did find made me regret not buying drinks in midtown. Vertical black bars fronted the storefront glass. ATM, read green neon above the door. I got bad vibes from the sketchy twaker riding a BMX bike in the parking lot. The bike was way too small for his bony frame; his knobby knees almost hit his chin as he pedaled in lazy circles.

"You coming in?" I asked Laura after she told me what she wanted.

another customer. I didn't bother to glance at the door, my attention drawn to a selection of pornographic magazines displayed beside the cheap cheroots and flavored cigarillos. Cheri. Club. Finally Legal. I already had each issue. Contributor copies. Mine was a steady freelance gig, a side job penning hardcore porn. I was ambivalent about the whole thing. On the one hand, I was wasting my time writing prurient trash when I could have been working on a novel; on the other hand, I was getting paid to write fiction, which was more than most writers—many of them far more talented than myself—could say.

good bit of sweeping to make it skateable again, and we hadn't brought a broom.

"So this is it, huh?" Laura said after we had gotten out of the car.

"The one and only," I told her. "My favorite spot of all time. I used to do huge frontside bonelesses on this thing . . ."

Laura had heard plenty about my legendary frontside bonelesses. I would have loved to do one for her, but I was too old, too stiff, too afraid of fucking up and snapping my wrist and not being able to write, which was the only thing that made my soul-sucking day job even remotely tolerable.

She produced her phone and proceeded to record the spot. Cars sped up and down McDowell Road, rap music blaring from open windows. We must have looked out of place. I half expected a cop to show up and ask us what in the hell we were doing.

Seeing Varner's in such a poor state depressed me, so much so that I told Laura we needed to leave. She didn't protest. The next spot wasn't much better, but at least it was skateable. Marshall Park was a small public park with wooden benches and some curbs.

I cruised around with a shit-eating grin, faring much better than I had thought. It felt wonderful to skate again. The board beneath my feet, the vibrations, the distinctive sound of urethane gobbling pavement. Simple pleasures. I didn't dare attempt a trick, lest I fall and ruin the moment.

Laura recorded the whole thing, her smile equal to mine. Until I hit a pebble.

And slammed. Hard.

Sprawled on the pavement, my palm on fire, I groaned as she knelt beside me.

"Are you okay?"

"I don't think so," she said.

"Scared?" I teased her.

"Shut the fuck up."

I told her not to talk to any strange men, then climbed out of the car and went inside. The clerk was middle eastern. Phone pressed to his ear, he spoke in a foreign tongue, lending a strangely exotic quality to pedestrian proceedings. I plucked our drinks from the cooler—diet soda for Laura, water for me—and placed them on the counter.

A ding signaled the entrance of

Laura was fine with it, just so long as I didn't jerk off to the photos instead of banging her. In addition to being headstrong, my girlfriend had a voracious appetite for sex.

Six blocks separated the store from the first stop on my tour. The bank at Varner's Appliances was still there, but the store had long since closed. It looked like a crack house, probably was. The concrete bank was much rougher than I remembered, rougher and littered with rocks and glass and other debris. It would take a

"Fuck no," I said.

My throbbing hand looked like raw hamburger. My wrist thrummed from the impact, but at least I could still bend it.

"I'm too old for this shit," I groused, eying my upended board a few feet away.

Laura helped me sit up. She inspected the wound. "It's not bleeding . . ."

The part of my hand just above the wrist was purple and swollen. I needed to find a restroom to clean the damn thing. Laura had other ideas.

"Hungry?" she asked.

I wasn't, not really. But she had gone to a lot of trouble preparing those sandwiches, and I didn't want to seem ungrateful. Agreeing to eat turned out to be one of the best decisions of my life. Boy did it ever! No sooner had we finished stuffing our faces at a rickety, weather-worn picnic table than Laura got up and suggested we go for a walk.

I frowned. "I don't think that's such a good idea. Look around, babe. This isn't exactly the best neighborhood . . ."

"Scared?" "No . . . Cautious."

"Don't give me that." She flashed a risqué smile. "I promise to make it worth your while . . ."

I had seen that smile before, knew exactly what it meant. Only a celibate moron would have declined her invitation. Prior to lunch I had doused my hand with bottled water, washing away the grit and quelling the burning to a tolerable degree. In essence, I was no longer distracted by my injury. Now I had more important things on my mind, like fucking my hot twenty-seven-year-old girlfriend . . .

"How's this?" she inquired, referring to an isolated spot at the

bottom of a grassy hill.

I wasn't worried about prying eyes; we hadn't seen a soul since our arrival. "Looks good to me."

Laura crouched, licking her lips lewdly while I dropped my baggy shorts. My cock was already hard when she took it in her mouth. She

ter, I hammered her hot hole with everything I had. Right out of the gate I fucked her with a frenetic jabbing motion, deploying my dick like a knife.

Breathing raggedly, her brunette locks fanned across the grass, she turned her head to the

made it even harder. Her moist lips wrapped around my pole, she pumped her head to and fro. Laura gave great head, some of the best I had ever had. Sloppy. Slutty. Upping the pace while moaning around my member, she serviced me with increased suction, slurping my schlong in earnest.

Having sucked me to the brink of orgasm, she withdrew her talented mouth from my junk, saliva stretching between her lips and my shaft like taffy. She rolled onto her back, not even bothering to remove her blouse. I lifted the hem of her miniskirt, slid her panties out of the way, and pushed her legs apart. I did this hastily as I couldn't wait to pound her tight twat.

Laura's face twisted when I entered her. She cried out loudly. I skipped a slow buildup. Now was not the time nor place. This was to be a raw quickie. Giving no quar-

side and bit her lip. I knew the gesture well. It meant Laura was climaxing. Having made her come, I pulled out and straddled her midsection. Cock in hand, I nutted in her youthful face.

The rendezvous was over in less than five minutes. Neither of us complained. But things took a turn for the worse after we crested the hill and returned to the skateable section of the park. "Shit," I said. "My board." It was gone, snatched from the picnic table. Idiot, I silently berated myself for being so careless.

"It could have been worse," Laura said. "They could have stolen your car . . ."

She had a point, a damn good one. And maybe it was for the best. I was too old to skate, anyway. Tricks or no tricks. Today's gnarly slam had proven that.

Oh well, I thought. At least I could still get it up!

"I have an adventurous spirit when it comes to sex. There's little that is out of bounds. First there is that possibility of getting off in ways I haven't. The fact that there is the possibility of that happening is enough to get the adrenaline pumping! Then, there is also the thrill of doing it with someone new. When you do, the same old stuff just doesn't feel the same."

The New and Improved Ruby

Retail blows the big one, Scott thought.

Especially when you're struck behind the register for an eight-hour shift. Thankfully, this was his last day; he would be leaving for school first thing in the morning. College. No curfew. All the beer he could drink. And lots of pussy. Man, he couldn't wait!

Scott's mother had wanted him to stay at home and go to a local school. "You can live with us, rent-free," she had explained. "Why, you could even keep your job at the hardware store." "No thanks," he had told her with a dismissive wave. "This place is driving me nuts."

His mother, Scott knew, hated the idea of her only son fleeing the nest. Tough shit. She would just have to adjust. His old man, a miserable postal clerk, didn't give a damn one way or the other; most nights he sat in front of the television and drank himself to sleep.

Scott had worked full-time at the hardware store since finishing high school back in May. Enough was enough. The summer had damn near killed him. The workaday grind was not his cup of tea, not by a longshot. And he definitely didn't want to end up like his father. Scott planned on majoring in History or Political Science, then going to law school.

But that was a long-range plan. At the moment he just wanted to survive his last day in hardware hell. Things took a turn for the better when Mr. Magee approached the counter with Scott's replacement in tow.

"Scott," his boss said, "I'd like you to meet Ruby."

Scott did a doubletake. Ruby Rials had been in his graduating

class. A total slut, he mused. And he knew this from experience as Ruby had given him a blowjob at their graduation party.

Her summer sundress sans bra wasn't exactly appropriate attire for working in a hardware store, but Scott wasn't about to complain.

Mr. Magee was a smart man. Most of their customers were men, carpenters and plumbers and house painters. Having a sexy piece of tail like Ruby in the store would attract a lot of business. As soon as the word hit the streets—well, the store would be packed to the gills with day laborers looking to ogle the sweet eye candy.

"I'll watch the counter," Mr. Magee continued, "while you show her the ropes . . ."

"Sure thing," Scott said.

Scott did a doubletake. Ruby Rials had been in his graduating class. A total slut, he mused. And he knew this from experience as Ruby had given him a blowjob at their graduation party.

BLAIR-NTS-10

He started by giving Ruby a tour of the store, leading her through each and every aisle. Then he took her to the stockroom. The space was cluttered with cardboard boxes, some yet to be opened, others broken down and stacked by the service entrance. Scott felt a little awkward now that they were alone. He hadn't seen Ruby since the night of the celebratory beer bash, the night she had gotten wasted and given him head in the host's bathroom. Did she even remember? Scott wondered.

Ruby answered his question when she said, "Um-uh—about the party . . ."

"Yeah?"

"You must think I'm a real whore, huh?"

"No," Scott lied. Then, "You were pretty drunk. Hell, I was too. Everybody was . . ."

He was pleasantly surprised when Ruby told him she had been thinking about him all summer.

"You have?" he replied.

His surprise turned to excitement when she confessed that his was the first dick she had ever sucked. Scott was honored, of course.

"I didn't know what I was doing," Ruby went on, "but I'm a lot better at it now . . ."

Scott searched her eyes. "Is that so?"

"You better believe it," Ruby said proudly. "I've been sucking cock all summer . . ."

"Whose?" Scott asked.

Ruby rattled off the names; the majority of them were classmates of theirs. "Practice makes perfect," she continued. "I'd love to show you what I've learned. You won't be disappointed . . ."

Scott stated, "The new and improved Ruby."

"Exactly."

"I'll be the judge of that."

Ruby unshouldered the straps of her sundress, freeing a mouth-

watering set of tits topped with stiff brown nipples. One look at those jugs gave Scott an instant boner. Heart pumping crazily, he fumbled with his cargo shorts.

Having liberated his prick, he grinned as Ruby licked her lips suggestively and went down on him. She gave fantastic head, much better than her previous performance at the party. Scott had been drunk, sure, but not so drunk that he couldn't remember. Now, servicing his shaft and balls in equal measure, Ruby brought him to the brink in no time. Scott

withdrew before blowing his wad, slobber stretching between his cock and her greedy mouth.

Moments later, having regained his steam, he grabbed two handfuls of Ruby's red hair and plunged his dick into her slutty maw. Sinking his prick to its thick base, his ballbag tapping her chin, he fucked her face.

One hand plying her tits, the other shoved beneath her dress and playing with her pussy, a crouching Ruby moaned around his mammoth member. Her exuberant display made Scott even

harder, and most eager to fuck her good and proper.

A short stack of bagged potting soil provided the perfect surface on which to bang Ruby. Dress hiked above her hips, she lay beneath him, her creamy thighs parted as he humped and pumped. Her twin mounds bounced with each forceful thrust. Finally, he withdrew and dumped his load all over her gaping cunt.

Scott could hardly believe it. His last day at the hardware store had turned out to be the best one. Better late than never, he thought with a sly grin

A photograph of a man and a woman in a close embrace. The man, on the left, is shirtless and has short dark hair. He is looking down at the woman. The woman, on the right, has long dark hair and is wearing a white strapless bra. She is looking towards the camera with a slight smile. The background is slightly blurred, showing a framed picture on the wall.
